

MAD Dress Code: Co-Created Criteria

- Students will not be allowed to wear anything that promotes or symbolizes drugs, alcohol, illegal activity, hate or discrimination, profanity, pornography; that suggests violence or harassment; or threatens health and safety.
- A top and bottom layer of clothing made of opaque material must be worn.
- Tops that expose arms, shoulders, stomachs, necklines, and straps are allowed.
- Bottoms that expose legs, thighs, and that expose straps and waistbands will be allowed. The groin and buttocks must be covered.
- Dress or headwear required for religious reasons will be allowed.
- Headwear and head coverings such as ball caps and head scarves are allowed but the face must be visible.
- Staff have the right to request that students remove hats and hoods during ceremony and assemblies.
- Undergarments must not be worn as outerwear.

For MAD activities and performances, a uniform will be required. Many times, students participate in physical activities that involve a wide range of movements, and, like a gym strip, students will change as required.
